

List of sigils of demons

The following is a list of attributed sigils or pentacles of demons. In demonology, sigils are pictorial signatures attributed to demons, angels, or other beings. In the ceremonial magic of the Middle Ages, sigils were used in the summoning of these beings and were the pictorial equivalent to their true name.

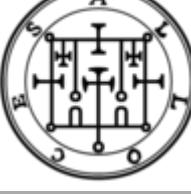

Demon name	Image	Origins of the seal
Bael	 A circular seal featuring a central four-pointed star with a cross inside. Four stylized wings or arms extend from the points of the star, each ending in a small circle. The letters 'B' and 'A' are positioned at the top and bottom respectively.	Lesser Key of Solomon ^{[1][2]}
